BOGE is a leading German compressor manufacturer and has earned a strong reputation for building premium quality Compressed Air Equipment in support of a large global distribution network.

BOGE AIR. THE AIR TO WORK.

- Rotary Screw Air Compressors
- Piston Compressors
- Frequency Drive Compressors
- Oil Free Compressors
- Booster Compressors
- Refrigerated Air Dryers
- Compressed Air Inline Filters
- Condensate Treatments & Drains

### Installation

An experienced installation team enables Sigma Compressor to offer full turnkey installation packages as well as compressed air piping installation and modification projects.

### Replacement Filter Elements

Airtek	Finite	Parker	Wilkerson
Atlas Copco	Great Lakes	Pioneer	Xebec
Balston	Hiross	Pneumatech	Zurn
Comp-Air	Ingersoll-Rand	Sullair	
Deltech	IPAC	Ultra-Air	
Domnick	Kaeser	Ultrafilter	
Hunter	Pall	Van Air	

- Rotary Screw Air Compressors – Fixed Speed and Variable Frequency Drive
- Heavy Duty 2 Stage Reciprocating Air Compressors
- Medium Duty 2 Stage Reciprocating Air Compressors
- Refrigerated Air Dryers
- Compressed Air Inline Filters
- Condensate Treatment Units (oil/water separators)

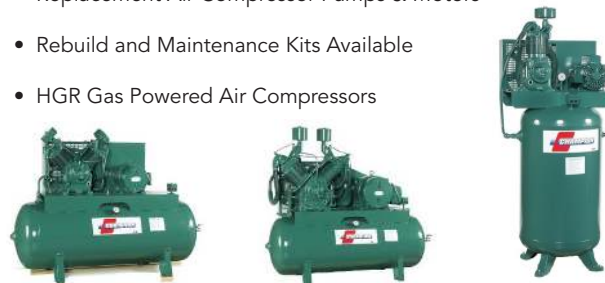

B SERIES 10 HP

- Refrigerated Air Dryers
- Desiccant Air Dryers
- Compressed Air Inline Filters
- Energy Saving Condensate Drains
- Condensate Treatment Units (oil/water separators)
- Aluminum Piping Systems
- Industrial Chilled Water Systems

- Heavy Duty 2 Stage Reciprocating Air Compressors
- Techquip Medium Duty 2 Stage Reciprocating Air Compressors
- Air Compressor accessories such as pressure switches, in tank check valves, pressure gauges, electric motors and magnetic starters.
- Replacement Air Compressor Pumps & Motors
- Rebuild and Maintenance Kits Available
- HGR Gas Powered Air Compressors

One Stop Shopping For All Of Your Compressed Air Requirements

- Industrial Hose Reels & Assemblies
- Compressed Air Filters, Regulators and Lubricators
- Quick Connects, Hoses, Blow Guns and Accessories
- Pneumatics – Cylinders, Directional Control Valves, Flow Controls and Mufflers
- Nylon/Poly tubing and push to connect fittings
- Aluminum Compressed Air Piping Systems
